

**RESOLUTION NUMBER L-2007-38**

**Update to the Knolls Property Owners Community Services District  
Sphere of Influence**

**LAFCO Project No. 2007-09-1**

**WHEREAS**, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 governs the organization and reorganization of cities and special districts by local agency formation commissions established in each county, as defined and specified in Government Code Sections 56000 et seq. (unless otherwise indicated all statutory references are to the Government Code); and

**WHEREAS**, Section 56425 et seq. provides that the local agency formation commission in each county shall develop and determine the sphere of influence of each local governmental agency within the county, and enact policies designed to promote the logical and orderly development of areas within the spheres of influence, as more fully specified in Sections 56425 et seq.; and

**WHEREAS**, Section 56430 requires that local agency formation commissions conduct a municipal service review (MSR) prior to, or in conjunction with, consideration of actions to establish or update a sphere of influence (SOI) in accordance with Sections 56076 and 56425; and

**WHEREAS**, pursuant to Section 56430, in order to prepare and update spheres of influence, the Commission conducted a Streets and Highway Services Municipal Services Review and adopted a written statement of determinations on December 5, 2007; and

**WHEREAS**, the agencies reviewed were Arroyo Vista, Audubon Hills, Cameron Estates, Connie Lane, Cosumnes River, East China Hills, El Dorado Hills, Garden Valley Ranch Estates, Golden West, Grassy Run, Greenstone Country, Hickok Road, Hillwood, Knolls Property Owners, Lakeview, Marble Mountain Homeowners, Mortara Circle, Nashville Trail, Rising Hill Road, Showcase Ranches, Sierra Oaks, Springfield Meadows and West El Largo Community Services Districts; Kirkwood Meadows Public Utility District; County Service Areas 2 and 9; and the Cities of Placerville and South Lake Tahoe; and

**WHEREAS**, the Executive Officer reviewed the sphere of influence update pursuant to the California Environmental Quality Act (CEQA), and recommended that the project is exempt from CEQA under Section 15061(b)(3) because it is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the

environment, the activity is not subject to CEQA, and, based thereon, the Executive Officer prepared a Notice of Exemption; and

**WHEREAS**, the Executive Officer set a public hearing for December 5, 2007 for consideration of the environmental review and the draft sphere of influence update for Knolls Property Owners Community Services District and caused notice thereof to be posted, published and mailed at the times and in the manner required by law at least twenty-one (21) days in advance of the date; and

**WHEREAS**, on December 5, 2007 the draft sphere of influence update came on regularly for hearing before LAFCO, at the time and place specified in the Notice; and

**WHEREAS**, at said hearing, LAFCO reviewed and considered the draft sphere of influence, and the Executive Officer's Report and Recommendations; each of the policies, priorities and factors set forth in Government Code Section 56425 et seq.; LAFCO's Policies and Guidelines related to spheres of influence, starting with Policy 4.0; and all other matters presented as prescribed by law; and

**WHEREAS**, at that time, an opportunity was given to all interested persons, organizations, and agencies to present oral or written testimony and other information concerning the proposal and all related matters; and

**WHEREAS**, the Commission received, heard, discussed, and considered all oral and written testimony related to the sphere update, including but not limited to protests and objections, the Executive Officer's report and recommendation, the environmental document and determinations and the service reviews; and

**WHEREAS**, pursuant to Government Code Section 56425(i)(2), the Commission does hereby establish the functions and classes of services provided by Knolls Property Owners Community Services District as follows: road and road maintenance services; and

**WHEREAS**, the Commission does hereby make the following determinations regarding the proposal pursuant to Government Code Section 56425(e):

**1. *The present and planned land uses in the area, including agricultural and open space lands.***

Present land uses within the District are primarily rural residential, but also include vacant residential lands and open space. Planned land uses are anticipated to remain the same as current land uses.

**2. *The present and probable need for public facilities and services in the area.***

Present needs for public facilities and services are currently being met. Probable needs for public facilities and services are not currently anticipated to vary from present needs, as future demands are expected to remain the same.

**3. The present capacity of public facilities and adequacy of public services that the agency provides or is authorized to provide.**

The present capacity of public facilities provided is sufficient for the current level of service demanded.

**4. The existence of any social or economic communities of interest in the area if the Commission determines that they are relevant to the agency.**

There are no social or economic communities of interest in the area. Nearby communities include the Rescue and Lotus areas.

**NOW, THEREFORE BE IT HEREBY RESOLVED, DETERMINED, ORDERED AND FOUND:**

Section 1. Each of the foregoing recitals is true and correct.

Section 2. The Notice of Exemption prepared by the Executive Officer is approved as the appropriate environmental document for this project.
