

**AT&T / Bloxsom Annexation into the El Dorado County Fire Protection District;
LAFCO Project No. 2019-04**

The landowners of APN 089-010-075, represented by Complete Wireless Consulting, Inc. on behalf of AT&T Mobility, are requesting annexation into the El Dorado County Fire Protection District (EDCFPD) in order to receive structural fire protection and emergency medical services for the approved AT&T Gold Hill/Coloma Telecommunications Facility (CUP 18-0007) and an existing single-family residence. Annexation is a condition of approval for the conditional use permit. The 50-acre parcel, located at 5621 Big Sky Ranch Road, Placerville, is within EDCFPD's sphere of influence and is adjacent to the current service boundaries. The parcel is located approximately 1,500 feet north of Thompson Hill Road near the intersection with Los Robles Road in the Gold Hill/Coloma area.
