Summary:

The California Land Conservation Act of 1965, also known as the Williamson Act, authorizes a city or county to contract with a landowner to limit the use of agricultural land located in an agricultural preserve designated by the city or county. Current law requires the Department of Conservation to submit a report to the Legislature on or before May 1 of every other year regarding the implementation of the Williamson Act. This bill would make nonsubstantive changes to that provision.

Subject: Ag Preservation - Williamson

CALAFCO Comments: This is a spot bill.

Summary:

The Fairfield-Suisun Sewer District Act creates the Fairfield-Suisun Sewer District and grants to the district various powers relating to the treatment and disposal of sewage. The act provides for the election of a board of directors for the district and administrative procedures for the operation of the district. This bill would make various administrative changes to the act, including removing the requirement that the district appoint a clerk and changing the posting requirements for regulations.

Position: Watch

Subject: Special District Powers, Special Districts Governance

CALAFCO Comments: This bill makes administrative changes to this special act district. It also allows for an extension of service pursuant to 56133 (keeping that LAFCo process intact).
