Subject: CALAFCO Proposal For Regional Representation

Dear Dr. Anderson:

On May 26, 2010, the El Dorado Local Agency Formation Commission carefully considered the proposal to regionalize CALAFCO that has been put forward by the CALAFCO Board of Directors. While the final proposal was recently distributed to the membership, we heard about this initiative in concept months ago and have had thoughtful discussions on it during this time.

I am pleased to report to CALAFCO and to its membership that the El Dorado Commission unanimously supports the proposal that would create four geographic regions for purposes of electing directors to its governing board. We believe that regional representation will make CALAFCO stronger by keeping the association intact and, more importantly, by bringing more voices to the table. That way, CALAFCO is made into a more effective and cohesive legislative force if it speaks on behalf of all LAFCOs and has the authority support that claim.

El Dorado LAFCO encourages all LAFCOs to consider supporting the regional proposal approved by the CALAFCO Board of Directors. Thank you for your consideration.

Sincerely,

Ken Humphreys
Chair
