---

*AGENDA OF MAY 23, 2007*

## *REGULAR MEETING*

**TO:** Ted Long, Chairman, and  
Members of the El Dorado County Local Agency Formation  
Commission

**FROM:** José C. Henríquez, Executive Officer

**AGENDA ITEM #5A: OTHER BUSINESS – LEGISLATION**

---

### **RECOMMENDATION**

Staff recommends that the Commission receive the following information regarding pending legislation possibly impacting LAFCOs.

### **REASON FOR RECOMMENDED ACTION**

This staff report is intended to highlight some of the more prominent bills in the attached legislation report.

### **BACKGROUND**

Of the numerous bills introduced in this session, staff believes the following are the bills of most interest to the Commission:

*AB 503 (Swanson)* – This bill would prohibit a state or local agency from requiring any employee entitled to receive overtime compensation pursuant to any federal statute or regulation to perform services outside the employee's normal work schedule unless a minimum of 8 hours' written notice of that work assignment has been provided to the employee. Currently, the bill is stalled in the Assembly

*AB 745 (Silva)* - Requires the disclosure of expenditures for political purposes made in connection with petitions not yet submitted to a local agency commission. Currently, the bill passed in the Assembly and is in the Senate.

*AB 1263 (Caballero)* – Implements the CALAFCO-recommended changes to the determinations for municipal services reviews and sphere of influence updates. Specifically, the MSR determinations would be consolidated from nine determinations to six. Currently, the bill passed in the Assembly and is in the Senate.

*AB 1744 (Committee on Local Government)* – CALAFCO-sponsored omnibus bill that would implement technical, non-controversial changes to LAFCO law. Currently, the bill is on the floor of the Assembly.

*SB 167 (Negrete McLeod)* – This bill would provide grants to LAFCOs for the completion of MSRs and SOIs, subject to meeting certain criteria. Currently, the bill is stalled in the Senate.

*SB 343 (Negrete McLeod)* – This bill will prevent any government entity, including LAFCO, from considering an item on its agenda unless all the writings and documentations were made available at the time of agenda posting. Consequently, the Commission would have to delay action on an item if any person submits information to the Commission for consideration at the time of the hearing. Currently, the bill is on the floor of the Senate.

*SB 819 (Hollingsworth/Kehoe)* – This bill eliminates the sunset on the LAFCO power to consolidate districts formed under different statutes. It will also add to LAFCO's authority the power to initiate a proposal to form a successor district. Currently, the bill is in the Senate.
