**RE: CEQA DETERMINATION FOR WELSH PROPERTY WATER SERVICE CONNECTION**

Dear Mr. Henríquez,

I have completed an environmental review of the water service connection proposed for 3021 Crystal View Drive, El Dorado Hills California (APN: 119-090-59-100). On April 10, 2006, the District adopted "Procedures to Implement CEQA" which lists actions that are considered "Ministerial" and not subject to the California Environmental Quality Act (CEQA). Water service connections such as proposed for the Welsh property are listed as ministerial actions and no further environmental review is necessary.

Feel free to call me with any questions and or comments regarding this determination at (530) 642-4058,

Sincerely,

Bret Sampson  
Environmental Review Analyst
