AGENDA ITEM #4C: CONTINUE THE PUBLIC COMMENT PERIOD FOR THE CITY
OF SOUTH LAKE TAHOE AND THE HILLWOOD COMMUNITY
SERVICES DISTRICT MUNICIPAL SERVICE REVIEWS AND
SPHERE OF INFLUENCE STUDIES

RECOMMENDATION

Staff recommends that the Commission continue the public comment period for the City of South Lake Tahoe and the Hillwood Community Services District municipal service reviews and sphere of influence studies until the August 24, 2016 meeting.

REASON FOR RECOMMENDED ACTION AND BACKGROUND

Prior to adopting an update to an agency's sphere of influence, Government Code §56427 requires notice of the hearing to be published in a newspaper of general circulation at least 21 days prior to the hearing. Due to the Memorial Day Holiday weekend, notice needed to be sent to the Mountain Democrat and Tahoe Tribune by Thursday, May 26 in order to be published in the Wednesday, June 1 newspaper. Unfortunately, due to meetings and unexpected illness, the notice was not sent on time for it to be published in the June 1 newspapers. Therefore, staff recommends the public comment period for both municipal service reviews and accompanying sphere of influence updates be continued to the August 24 hearing. Staff notified representatives from both the City of South Lake Tahoe and the Hillwood Community Services District and apologized for any inconvenience. The MSR's were the only items on the June 22 agenda which required public notice.
