Under California Government Code section 56133(b), El Dorado LAFCO may authorize the District to provide new or extended services outside of its jurisdictional boundaries but within its sphere of influence in anticipation of a later change of organization. The timing, criteria, and consequences of El Dorado LAFCO's decision are prescribed by Government Code section 56133(d).

AGREEMENT

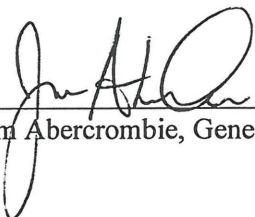

1. District hereby agrees to provide water and sewer service to the Subject Property in accordance with all applicable District Board Policies, Administrative Regulations, standard operating procedures, and practices, except that such service shall be at 1.5 times the otherwise applicable rates, until: a) this Agreement is terminated; b) El Dorado LAFCO records a Certificate of Completion annexing the Subject Property to the District; or c) three years from the Effective Date, whichever comes first.

2. The District's obligations under paragraph 1 are further subject to each of the following express conditions precedent, concurrent, or subsequent:
- a. Neither Owner nor Owner's successor in interest will withdraw the Annexation Petition, nor allow the Annexation Petition to lapse.
 - b. Owner shall cooperate with the District in providing all information required of the District by the Commission for both the Commission's section 56133(d) decision and the Subject Property's annexation.
 - c. Services will be provided upon completion of construction of the required extensions and acceptance by the District as well as payment of applicable connection fees and any associated costs.
 - d. This Agreement shall terminate and service shall be discontinued if the Commission disapproves this Agreement or if the annexation fails for any reason.
 - e. This Agreement shall expire on June 6, 2017. If El Dorado LAFCO has not recorded a Certificate of Completion annexing the Subject Property to the District by the expiration date, Owner shall relinquish all meters, allow the District to physically disconnect all services, and accept a refund of all Facility Connection Charges paid to the District, without interest.
