**Summary:**

Would, in furtherance of specified state housing production and wildfire mitigation goals, prohibit the creation or approval of a new development, as defined, in a very high fire hazard severity zone or a state responsibility area. By imposing new duties on local governments with respect to the approval of new developments in very high fire hazard severity zones and state responsibility areas, this bill would impose a state-mandated local program.

**Position:** Watch

**Subject:** Growth Management, Planning

**CALAFCO Comments:** This bill prohibits the creation or approval of a new development in a very high fire hazard severity zone or a state responsibility area.

**SB 13 (Dodd D) Local agency services: contracts: Counties of Napa and San Bernardino.**

**Current Text:** Introduced: 12/7/2020 [html](#) [pdf](#)

**Status:** 12/8/2020-From printer. May be acted upon on or after January 7.

**Summary:**

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 establishes a pilot program under which the commissions in the Counties of Napa and San Bernardino, upon making specified determinations at a noticed public hearing, may authorize a city or district to provide new or extended services outside its jurisdictional boundary and outside its sphere of influence to support existing or planned uses involving public or private properties, as provided. Current law requires the Napa and San Bernardino commissions to submit a report to the Legislature on their participation in the pilot program, as specified, before January 1, 2020, and repeals the pilot program as of January 1, 2021. This bill would reestablish the pilot program, which would remain in effect until January 1, 2026. The bill would impose a January 1, 2025, deadline for the Napa and San Bernardino commissions to report to the Legislature on the pilot program, and would require the contents of that report to include how many requests for extension of services were received under these provisions.

**Position:** Watch

**Subject:** CKH General Procedures

**CALAFCO Comments:** This bill is the same as SB 799 from 2020 and seeks to re-establish and continue the pilot program for five more years. The program ended as of January 1, 2021 but due to the pandemic, SB 799 from 2020 to extend the sunset was not moved forward in the legislature.

**Summary:**

Would require the El Dorado County elections official, with the assistance of the Fallen Leaf Lake Community Services District, to conduct district elections pursuant to the Uniform District Election Law, except as otherwise provided in the bill. The bill, notwithstanding existing law, would provide that voters who are resident registered voters of the district, and voters who are not residents but either own a real property interest in the district or have been designated by the owner of a real property interest to cast the vote for that property, may vote in a district election in the Fallen Leaf Lake Community Services District, as specified. The bill would require the designations of voters and authority of legal representatives to be filed with the El Dorado County elections official and the secretary of the Fallen Leaf Lake Community Services District and maintained with the list of qualified voters of the district. This bill contains other related provisions and other existing laws.

**Position:** Watch

**Subject:** Special Districts Governance

**CALAFCO Comments:** This bill is the same as SB 1180 from 2020 which did not move through the legislature. It is a local El Dorado County/district bill. This bill does several things. (1) Provides that voters who are resident registered voters of the district, and voters who are not residents but either own a real property interest in the district or have been designated by the owner of a real property interest to cast the vote for that property, may vote in a district election in the Fallen Leaf Lake Community Services. (2) The bill also would authorize a voter who is not a resident of the district but owns a real property interest in the district to designate only one voter to vote on their behalf, regardless of the number of parcels in the district owned by the nonresident voter. (3) This bill would prohibit the Fallen Leaf Lake Community Services District from providing any services or facilities except fire protection and medical services, including emergency response and services, as well as parks and recreation services and facilities.
