Calendar:

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 authorizes a local agency formation commission to approve, after notice and hearing, a petition for a change of organization or reorganization of a city, if the petition was initiated on or after January 1, 2010, and before January 1, 2014, and waive protest proceedings entirely if certain requirements are met. This provision applies only to territory that does not exceed 150 acres. This Bill would delete the January 1, 2014, date and make conforming changes. This bill contains other related provisions and other existing laws.

Position: Support

Subject: Annexation Proceedings, CKH General Procedures

CALAFCO Comments: As amended, this bill removes the sunset date provision to waive protest proceedings for certain island annexations. The size of the island areas for the purposes of annexation under this provision has been amended back to 150 acres.

Unincorporated islands are more costly and inefficient for counties to administer as opposed to the local municipality. A sunset date was initially established on this ability to encourage the use of the provision and was extended to allow cities and LAFCOs additional time to implement island annexation programs. The unforeseen economic downturn over the past five years has significantly hampered the initial progress, and with the sunset ready to expire at the beginning of next year, cities and LAFCOs have yet to complete the work that the law intended them to do. Over the twelve year period since the law was established, hundreds of islands have been annexed, yet hundreds more remain.

Additionally, the bill was amended to reset the effective island creation date from January 1, 2000 to January 1, 2014 thus allowing smaller islands of less than 150 acres created after 2000 to be annexed under these provisions. Many of these current islands remained as remnants of larger substantially

surrounded island areas that had irregular boundaries or were affected by the annexation of territory for newer development.

This bill would specify that the definition excludes any independent special district having a legislative body consisting, in whole or in part, of ex officio members who are officers of a county or another local agency or who are appointees of those officers other than those who are appointed to fixed terms. Summary:

Would require a lead agency to translate, as specified, certain notices required by the California Environmental Quality Act and a summary of any negative declaration, mitigated negative declaration, or environmental impact report when a group of non-English-speaking people, as defined, comprises at least 5% of the population within the lead agency's jurisdiction and the project is proposed to be located at or near an area where the group of non-English-speaking people comprises at least 5% of the residents of that area. By requiring a lead agency to translate these notices and documents, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Position: Watch

Subject: CEQA

CALAFCO Comments: Requires a lead agency to translate certain notices, summary of a negative declaration, mitigated negative declaration, or environmental impact report when the impcated community has 5% or more non-English speaking people affected by the project. The requirement is to translate these notices and summaries in the native language of those impacted. This is an unfunded mandate. While LAFCo is not typically the lead agency, there may be an occasion when they are, and this could have significant resource implications.

By imposing new duties on a lead agency with regard to the review and approval of the mitigation measures required by the act, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

The bill would require the Judicial Council to adopt rules for establishing, among other things, protocol to govern the administration and efficient operation of the division, so that those judges assigned to the division will be able to hear and quickly resolve those actions or proceedings. This bill contains other existing laws.

Subject: CEQA

CALAFCO Comments: As amended, this bill establishes a CEQA compliance division of the superior court in certain counties. This court has original jurisdiction over all CEQA compliance and joined matters related to land use and environmental laws. Reviews of the decisions made by this court are done through a petition for an extraordinary writ. This bill also adds that actions or proceedings filed with alleged grounds for noncompliance require enough specificity for the public agency to reasonably respond.
