Why do you want to serve on the SDRMA Board of Directors? (Response Required)

My name is Robin Prideaux and I would like to be considered for the vacancy position on the board. I am qualified in that I am currently serving as Secretary on the Cuyama Community Services District Board and the other members of our board unanimously chose me to represent our township on the Risk Management Board; I would be honored to serve. Having been in several diverse management and ownership positions in the past, I realize how important it is to be aware and prepared for various situations that may arise. My business management experience and public service work has led me to apply for this challenging and interesting position. In addition, I have a degree from El Camino College with an emphasis in psychology of marketing. and continued interdisciplinary studies of psychology and consumer behavior at Cal State University Dominguez Hills. My minor was in the arts and I soon became involved in professional ensemble groups culminating with a nomination to the Student Council as Commissioner of Fine Arts. During my two semesters in office one of my significant accomplishments was to commission a bronze statue for the art patio that still stands today entitled "Girl With Book". I was the student representative to the calendar committee and helped decide on term lengths and holidays for the college. I taught orchestra to children in Los Angeles elementary schools and chorus for the Manhattan Rec. Dept. What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)

FOR MANY YEARS I WAS A BUS DRIVER FOR SANTA BARBARA METRO. Quick decisions had to be made constantly involving the well-being of my passengers. Many risk/prevention measures were used to avoid encountering accidents or injury during that time. Being alert and aware as well as handling every situation independently and safely, kept me from injury or lawsuit as I operated my own delivery businesses. My employees were taught "SAFETY FIRST". I am currently donating time assisting with the Cuyama Community Services District as a secretary and board member. I am also working with the Cuyama Recreation Department in their fourth of July celebration.

General Comments / Statements (Response Optional)

I am semi-retired and would welcome the opportunity to serve you with educated and confident decisions while asking the hard questions that need to be asked. Thank you in advance for your time and consideration for my nomination to the SDRMA Board of Directors.

I certify that I am a Board member or a full-time management employee for the agency from which I have been nominated. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. I have led highly skilled teams to support the achievement of overall agency goals and objectives.

In the two years since I last ran for office, I have earned the prestigious Special District Administrator designation and completed course work for the CALPELRA Masters Certification in Labor Relations. I was accepted into the graduate program at California State University, San Bernardino and by the end of 2009 I expect to graduate with a Masters in Public Administration.

General Comments / Statements

I believe in SDRMA's stated mission. My agency is a strong supporter of the risk pool concept and particularly SDRMA. From our claims experience I presented the topic, "*The Good, The Bad, The Ugly. Why do you want to serve on the SDRMA Board of Directors? (Response Required)

I desire a position on the SDRMA Board because I see it as an expansion of my commitment to Special Districts and commitment to the concept of member controlled risk management services.

I believe current California legislation makes it very difficult for any new city to incorporate. As a result, I believe the Special District will become the dominate model for local governing bodies.

The degree to which any organization can bring a diversified service to the public is often controlled by the availability of insurance protection and risk management services. SDRMA is uniquely situated and qualified to provide the services Special Districts need to provide for their constituents. I look forward to being part of the member support organization needed by an expanding world of Special Districts.

For 38+ years I have been involved in the commercial insurance marketplace. A marketplace characterized by the competing interests of the insurance sellers, consumers and insurance companies. Brokers whose major concern is commission income. Consumers whose major concerns are availability and price. Companies whose major concerns are premium volume and profitability. Lacking in all areas is a commitment to loyalty.

SDRMA as a member organization starts with the commitment of loyalty to its members, mitigating the competitive forces driving the commercial insurance market. I find this commitment of loyalty between the members and service providers a healthy solution to the cyclic problems inherit in meeting insurance needs. It is my desire to encourage this type of solution to the risks faced by Special Districts by serving on the Board of SDRMA

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

Currently serving as a Director of Cambria Community Services District, serving on the Finance Committee, Governmental Relations Committee and Forest Service Committee. Current term expires 12/2012. Previous elected Board experience includes: (1) Elected Trustee of Kern County High School District. District composed of 17 high schools at the time. (2) Elected Director of Santa Maria Public Airport District. District administered a 2200 acre airport, industrial and agriculture facility. Served as District President and member of many committees.

**What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)**

I bring 38+ years of insurance experience in personal and commercial lines insurance. I understand the risks faced by community organizations and the insurance needs of employees. I hold advanced insurance degrees of Chartered Property and Casualty Underwriter and Chartered Life Underwriter. Additionally I have completed over 1000 hours of continuing education in the insurance field.

I am experienced in the political field and understand how elected bodies think and act. I have been elected to three different boards in my career and served on several appointed advisory committees. I have served on political action committees representing the positions of the insurance company. I have authored insurance code legislation and managed the bill through the California legislature, spending many hours "walking the halls" of the California Assembly and Senate.

General Comments / Statements (Response Optional)

I believe I would bring a diverse background to the SDRMA Board of Directors.

First, I have a strong commitment to the Special District as the ultimate form of local control of community functions.

Second, with experience on three different types of Special Districts, a school district, an airport district and a multi-task community service district I believe I can represent the diversity of districts that make up SDRMA.

Third, my experience in the general insurance market place provides a unique understanding of the needs of organizations and their employees. My extensive experience in marketing insurance could be helpful in representing the benefits of SDRMA to potential members.

Fourth, I understand and have experience with the political influences that affect the insurance marketplace.

Finally, I have the desire and time to serve and believe a position on the Board of Directors of SDRMA would be an opportunity to put to use my experiences.

I certify that I am a Board member or a full-time management employee for the agency from which I have been nominated. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. I wish to express my gratitude to those current Board Members retiring and thank them for their service.

I believe I bring a unique set of experiences which could add to the diversity of the Board of Directors.

First, I have experience as an elected Board Member of three diverse forms of districts.

- Former Director Santa Maria Airport District, 2200 acre airport and industrial park.

Why do you want to serve on the SDRMA Board of Directors?

I have served on the SDRMA Board since March of 1999. I have served as vice president since January, 2002. During that time, I have seen SDRMA expand significantly. In 1999, SDRMA had 238 members in its property liability program and SDWCA had 73 members in its Workers Comp program. In July, 2003 SDWCA merged with SDRMA and the combined organization now has 429 members in the property liability program and 339 members in the workers comp program. During the same period, assets have increased from \$20 million to \$116 million. Retained earnings have increased from \$7 million to \$32 million. Over that time, SDRMA has also branched out into the area of employee health benefits (2006) and currently has 51 agencies (approx 1200 employees) enrolled in that program. A very visible result of this growth is SDRMA's purchase in 2004 of its own building in downtown Sacramento. SDRMA currently occupies most of the third floor, rents the remainder of the building and realizes approximately \$400,000 annually in rental income. I am very proud to have been a part of this dramatic growth. I am also proud to have been a part of the board which recently made the decision to reduce rates by 15% for the 2009/2010 program year. I would be honored to have the opportunity to continue serving on this board.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization)

As previously mentioned, I have ten years of experience on the SDRMA board of directors. I have also served for fourteen years on the Tehachapi Water Availability Preservation Committee, seven years on the Greater Tehachapi Fire Safe Council, and have served on ACWA's Groundwater Committee and Safe Drinking Water Subcommittee.

As General Manager of the Bear Valley CSD, I regularly assist the board of directors in the administration of several standing committees and have (as required or requested) organized and administered ad hoc committees of the board and/or of citizens of the district.
