Re: Request for Continuance
Summerbrook Annexation/Request for Reconsideration
Project No. 06-013-001

Dear Mr. Henriquez:

On behalf of the applicants of the above described matter, we respectfully request a continuance from the December 2, 2009, Commission Agenda. It has come to our attention that at least one member of the Commission will be unable to attend the December 2nd meeting. As stated in our Request for Reconsideration it is important that this matter be heard by the entire Commission. Please reschedule this item for the next available Commission hearing that will be attended by the full Commission.

Thank you very much.

Very truly yours,

Craig M. Sandberg
