RECOMMENDATION

Staff recommends that the Commission consider and approve the response to Grand Jury Case #21-10, as revised by the Grand Jury Response Ad Hoc Committee.

REASON FOR RECOMMENDED ACTION AND BACKGROUND

On June 27, 2022, the 2021-2022 El Dorado County Civil Grand Jury released Case #21-10, investigating the timeliness of El Dorado LAFCO's Municipal Service Reviews (MSRs). The Grand Jury report details the status of LAFCO's municipal service reviews and concludes with various findings and recommendations, as detailed in Item #7 of the July 27, 2022 meeting (materials found [here](#)). LAFCO was named as a respondent to the report, and is required to respond to all of the case's findings and numbered recommendations within 90 days.

The Commission considered the Grand Jury's report and LAFCO's response at the July 27 meeting and formed an Ad Hoc Committee of Commissioners Saunders, White, and Wilde, to work with staff to further revise LAFCO's response. The draft letter, as revised by the Grand Jury Response Ad Hoc Committee, is included as Attachment A.
