

days from the date of receipt of notification by the executive officer to comment on the proposal.

The commission shall consider all comments received from the director in making its decision.

Services by contract outside city and district boundaries

56133. (a) A city or district may provide new or extended services by contract or agreement outside its jurisdictional *** **boundary** only if it first requests and receives written approval from the *** **commission**.

(b) The commission may authorize a city or district to provide new or extended services outside its jurisdictional *** **boundary** but within its sphere of influence in anticipation of a later change of organization.

Threat to health and safety

(c) *** **If consistent with adopted policy, the** commission may authorize a city or district to provide new or extended services outside its jurisdictional *** **boundary** and outside its sphere of influence to respond to an existing or impending threat to the *** health or safety of the **public or the** residents of the affected territory, if both of the following requirements are met:

(1) The entity applying for *** approval has provided the commission with documentation of a threat to the health and safety of the public or the affected residents.

Notice for alternate service provider

(2) The commission has notified any alternate service provider, including any water corporation as defined in Section 241 of the Public Utilities Code, *** that has filed a map and a statement of its service capabilities with the commission.

Proceedings for review

(d) The executive officer, within 30 days of receipt of a request for approval by a city or district *** to extend services outside its jurisdictional boundary, shall determine whether the request is complete and acceptable for filing or whether the request is incomplete. If a request is determined not to be complete, the executive officer shall immediately transmit that determination to the requester, specifying those parts of the request that are incomplete and the manner in which they can be made complete. When the request is deemed complete, the executive officer shall place the request on the agenda of the next commission meeting for which adequate notice can be given but not more than 90 days from the date that the request is deemed complete, unless the commission has delegated approval of *** requests *** **made pursuant to this section to** the executive officer. The commission or executive officer shall approve, disapprove, or approve with conditions the *** extended services. If the *** **new or extended services are** disapproved or approved with conditions, the applicant may request reconsideration, citing the reasons for reconsideration.

Exemptions

(e) This section does not apply to any of the following:

(1) Two or more public agencies where the public service to be provided is an alternative to, or substitute for, public services already being provided by an existing public service provider and where the level of service to be provided is consistent with the level of service contemplated by the existing service provider.

(2) This section does not apply to the transfer of nonpotable or nontreated water.

*** (3) *** The provision of surplus water to agricultural lands and facilities, including, but not limited to, incidental residential structures, for projects that serve conservation purposes or that directly support agricultural industries. However, prior to extending surplus water service to any project that will support or induce development, the city or district shall first request and receive written approval from the commission in the affected county. ***

(4) An extended service that a city or district was providing on or before January 1, 2001.

(5) A local publicly owned electric utility, as defined by Section 9604 of the Public Utilities Code, providing electric services that do not involve the acquisition, construction, or installation of electric distribution facilities by the local publicly owned electric utility, outside of the utility's jurisdictional boundary.

(6) A fire protection contract, as defined in subdivision (a) of Section 56134.

(f) This section applies only to the commission of the county in which the extension of service is proposed.

Pilot Program for Napa and San Bernardino commissions

56133.5. (a) A pilot program is hereby established for the Napa and San Bernardino commissions. If consistent with adopted policy, the Napa and San Bernardino commissions may authorize a city or district to provide new or extended services outside its jurisdictional boundary and outside its sphere of influence to support existing or planned uses involving public or private properties, subject to approval at a noticed public hearing in which the commission makes all of the following determinations:

(1) The extension of service or services deficiency was identified and evaluated in a review of municipal services prepared pursuant to Section 56430.

(2) The extension of service will not result in either (1) adverse impacts on open space or agricultural lands or (2) growth inducing impacts.

(3) A sphere of influence change involving the subject territory and its affected agency is not feasible under this division or desirable based on the adopted policies of the commission.

(b) Subdivision (d) of Section 56133 shall apply to any request for new or extended services pursuant to this section.

(c) For purposes of this section, "planned use" means any project that is included in an approved specific plan as of July 1, 2015.

(d) The Napa and San Bernardino commissions shall submit a report before January 1, 2020, to the Legislature on their participation in the pilot program, including how many requests for extension of services were received pursuant to this section and the action by the commission to approve, disapprove, or approve with conditions. The report required to be submitted pursuant to this subdivision shall be submitted in compliance with Section 9795 of the Government Code.

(e) The pilot program established pursuant to this section shall be consistent with Chapter 8.5 (commencing with Section 1501) of the Public Utilities Code.

(f) This section shall remain in effect only until January 1, 2021, and as of that date is repealed.

Fire protection services by contract outside a public agency's jurisdictional boundaries

"Fire protection contract"

56134. (a) (1) For the purpose of this section, "fire protection contract" means a contract or agreement for the exercise of new or extended fire protection services outside a public agency's jurisdictional boundaries, as authorized by Chapter 4 (commencing with Section 55600) of Part 2 of Division 2 of Title 5 of this code or by Article 44 (commencing with Section 4141) of Chapter 1 of Part 2 of Division 4 of the Public Resources Code, except those contracts entered into pursuant to Sections 4143 and 4144 of the Public Resources Code, that does either of the following:

(A) Transfers responsibility for providing services in more than 25 percent of the area within the jurisdictional boundaries of any public agency affected by the contract or agreement.

(B) Changes the employment status of more than 25 percent of the employees of any public agency affected by the contract or agreement.

(2) A contract or agreement for the exercise of new or extended fire protection services outside a public agency's jurisdictional boundaries, as authorized by Chapter 4 (commencing with Section 55600) of Part 2 of Division 2 of Title 5 of this code or Article 4 (commencing with Section 4141) of Chapter 1 of Part 2 of Division 4 of the Public

Resources Code, except those contracts entered into pursuant to Section 4143 and 4144 of the Public Resources Code, that, in combination with other contracts or agreements, would produce the results described in subparagraph (A) or (B) of paragraph (1) shall be deemed a fire protection contract for the purposes of this section.

(3) For the purposes of this section, "jurisdictional boundaries" shall include the territory or lands protected pursuant to a fire protection contract entered into on or before December 31, 2015. An extension of a fire protection contract entered into on or before December 31, 2015, that would produce the results described in subparagraph (A) or (B) of paragraph (1) shall be deemed a fire protection contract for the purposes of this section.

(b) Notwithstanding Section 56133, a public agency may provide new or extended services pursuant to a fire protection contract only if it first requests and receives written approval from the commission in the affected county pursuant to the requirements of this section.

Resolution of application

(c) A request by a public agency for commission approval of new or extended services provided pursuant to a fire protection contract shall be made by the adoption of a resolution of application as follows:

(1) In the case of a public agency that is not a state agency, the application shall be initiated by the adoption of a resolution of application by the legislative body of the public agency proposing to provide new or extended services outside the public agency's current service area.

(2) In the case of a public agency that is a state agency, the application shall be initiated by the director of the state agency proposing to provide new or extended services outside the agency's current services area and be approved by the Director of Finance.

(3) In the case of a public agency that is a local agency currently under contract with a state agency for the provision of fire protection services and proposing to provide new or extended services by the expansion of the existing contract or agreement, the application shall be initiated by the public agency that is a local agency and be approved by the Director of Finance.

Resolution of application requirements

(d) The legislative body of a public agency or the director of a state agency shall not submit a resolution of application pursuant to this section unless both of the following occur:

(1) The public agency does either of the following:

(A) Obtains and submits with the resolution a written agreement validated and executed by each affected public agency and recognized employee organization that represents

firefighters of the existing and proposed service providers consenting to the proposed fire protection contract.

(B) Provides, at least 30 days prior to the hearing held pursuant to paragraph (2), written notice to each affected public agency and recognized employee organization that represents firefighters of the existing and proposed service providers of the proposed fire protection contract and submits a copy of each written notice with the resolution of application. The notice shall, at a minimum, include a full copy of the proposed contract.

(2) The public agency conducts an open and public hearing on the resolution, conducted pursuant to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5) or the Bagley-Keene Open Meeting Act (Article 9 (commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2), as applicable.

Resolution contents

(e) A resolution of application submitted pursuant to this section shall be submitted with a plan which shall include all of the following information:

(1) The total estimated cost to provide the new or extended fire protection services in the affected territory.

(2) The estimated cost of the new or extended fire protection services to customers in the affected territory.

(3) An identification of existing service providers, if any, of the new or extended services proposed to be provided and the potential fiscal impact to the customers of those existing providers.

(4) A plan for financing the exercise of the new or extended fire protection services in the affected territory.

(5) Alternatives for the exercises of the new or extended fire protection services in the affected territory.

(6) An enumeration and description of the new or extended fire protection services proposed to be extended to the affected territory.

(7) The level and range of new or extended fire protection services.

(8) An indication of when the new or extended fire protection services can feasibly be extended to the affected territory.

(9) An indication of any improvements or upgrades to structures, roads, sewer or water facilities, or other conditions the public agency would impose or require within the affected territory if the fire protection contract is completed.

(10) A determination, supported by documentation, that the proposed fire protection contract meets the criteria established pursuant to subparagraph (A) or (B) of paragraph (1) or paragraph (2), as applicable, of subdivision (a).

(f) The applicant shall cause to be prepared by contract an independent comprehensive fiscal analysis to be submitted

with the application pursuant to this section. The analysis shall review and document all of the following:

(1) A thorough review of the plan for services submitted by the public agency pursuant to subdivision (e).

(2) How the costs of the existing service provider compare to the costs of service provided in service areas with similar populations and of similar geographic size that provide a similar level and range of services and make a reasonable determination of the costs expected to be borne by the public agency providing new or extended fire protection services.

(3) Any other information and analysis needed to support the findings required by subdivision (j).

(g) The clerk of the legislative body of a public agency or the director of a state agency adopting a resolution of application pursuant to this section shall file a certified copy of the resolution with the executive officer.

Commission determination of complete or incomplete request

(h) (1) The executive officer, within 30 days of the receipt of a public agency's request for approval of a fire protection contract, shall determine whether the request is complete and acceptable for filing or whether the request is incomplete. If a request does not comply with the requirements of subdivision (d), the executive officer shall determine that the request is incomplete. If a request is determined incomplete, the executive officer shall immediately transmit that determination to the requester, specifying those parts of the request that are incomplete and the manner in which they can be made complete. When the request is deemed complete, the executive officer shall place the request on the agenda of the next commission meeting for which adequate notice can be given but not more than 90 days from the date that the request is deemed complete.

Commission hearing

(2) The commission shall approve, disapprove, or approve with conditions the contract for new or extended services following the hearing at the commission meeting, as provided in paragraph (1). If the contract is disapproved or approved with conditions, the applicant may request reconsideration, citing the reasons or reconsideration.

(i) (1) The commission shall not approve an application for approval of a fire protection contract unless the commission determines that the public agency will have sufficient revenues to carry out the exercise of the new or extended fire protection services outside its current area, except as specified in paragraph (2).

(2) The commission may approve an application for approval of a fire protection contract where the commission has determined that the public agency will not have sufficient revenue to provide the proposed new or different functions or

class of services, if the commission conditions its approval on the concurrent approval of sufficient revenue sources pursuant to Section 56886. In approving a proposal, the commission shall provide that, if the revenues sources pursuant to Section 56886 are not approved, the authority of the public agency to provide new or extended fire protection services shall not be exercised.

(j) The commission shall not approve an application for approval of a fire protection district unless the commission determines, based on the entire record, all of the following:

(1) The proposed exercise of new or extended fire protection services outside a public agency's current service area is consistent with the intent of this division, including, but not limited to, the policies of Sections 56001 and 56300.

(2) The commission has reviewed the comprehensive fiscal analysis prepared pursuant to subdivision (f).

(3) The commission has reviewed any testimony presented at the public hearing.

(4) The proposed affected territory is expected to receive revenues sufficient to provide public services and facilities and a reasonable reserve during the three fiscal years following the effective date of the contract or agreement between the public agencies to provide the new or extended fire protection services.

Electronic and mailed notice

(k) At least 21 days prior to the date of the hearing, the executive officer shall give mailed notice of that hearing to each affected local agency or affected county, and to any interested party who has filed a written request for notice with the executive officer. In addition, at least 21 days prior to the date of that hearing, the executive officer shall cause notice of the hearing to be published in accordance with Section 56153 in a newspaper of general circulation that is circulated within the territory affected by the proposal proposed to be adopted and shall post the notice of the hearing on the commission's Internet Web site.

(l) The commission may continue from time to time any hearing called pursuant to this section. The commission shall hear and consider oral or written testimony presented by any affected local agency, affected county, or any interested person who appears at any hearing called and held pursuant to this section.

(m) This section shall not be construed to abrogate a public agency's obligations under the Meyers-Milias-Brown Act (Chapter 10 (commencing with Section 3500) of Division 4 of Title1).
