 Malathy Subramanian, Commission Counsel

Statement of Qualifications  
**MONIQUE SCOBNEY**  
El Dorado LAFCO  
March 2021

My name is Monique Scobey and I am currently serving on the Board of Directors for the Cameron Park Community Services District. Our District provides several public services: fire and emergency response, parks, recreation, CC&R compliance, waste collection/recycling, and lighting/landscape districts. Overseeing these services has provided me with an understanding of the variety of requirements and responsibilities of our communities, as well as how Special Districts and local government function. I have served on all four of the District's Standing Committees and have completed my 18 month term for President of the Board in Dec 2020. The Board of Supervisors recently appointed me as an Alternate to the County El Dorado Solid Waste Advisory Committee.

In 2019, with the support of the Board of Directors, the District achieved our Transparency Certificate. In 2020, I completed the Special District Leadership Foundation – Leadership Academy that provides the knowledge base to perform essential governance responsibilities. This mixture of experiences will assist me in serving as knowledgeable LAFCO member.

I have lived in El Dorado County for over 25 years, raising our three children in Cameron Park and operating a small software consulting business. I served on sport club boards and as an ambassador at the Shingle Springs/Cameron Park Chamber of Commerce. I currently work part-time in real estate and am recently retired, and my husband and I plan on remaining here, in our community, so I am personally invested in how our County evolves.

I enjoy engaging with others, hearing and incorporating others views, finding common ground and collaborating on a clear path forward. Agencies work better when all stakeholders are involved to help define solutions. I look forward to working on this committee and keeping our county and communities a desirable place to live, work and visit.

My education includes a Master's Degree in Aerospace Engineering from USC and a Bachelor of Science Degree in Mechanical and Aeronautical Engineering from UC Davis.
