---

## *AGENDA OF MARCH 23, 2011*

### *REGULAR MEETING*

**TO:** Ken Humphreys, Chair, and  
Members of the El Dorado County Local Agency Formation  
Commission

**FROM:** José C. Henríquez, Executive Officer

**PREPARED BY:** Erica Sanchez, Policy Analyst

**AGENDA ITEM #21 :** La Canada Annexation to the El Dorado Irrigation District –  
Request for Continuation of the Public Hearing

---

#### **RECOMMENDATION**

Staff recommends that the Commission continue the Public Hearing for the La Canada Annexation to the El Dorado Irrigation District (EID); LAFCO Project 2010-03, until the next scheduled LAFCO meeting, per a request made by the applicant.

#### **REASON FOR RECOMMENDED ACTION**

According to Government Code §56658(g), a Certificate of Filing shall specify the date upon which the proposal shall be heard by the Commission. The Certificate of Filing, which was issued on January 12, 2011, set the public hearing date for March 23, 2011. Section 56101 of Cortese-Knox-Hertzberg allows for the continuation of a public hearing, subject to Commission approval.

#### **BACKGROUND**

The La Canada Annexation to EID was originally scheduled for a hearing on March 23, 2011. However, the individual originally designated as the authorized agent is no longer associated with the La Canada project. The designated agent is the primary contact person for the project and is authorized to sign various application documents on behalf of the landowners. Subsequently, the landowners, through their attorney, Joel Korotkin, requested a postponement of the hearing to allow additional time to designate a new agent to act on their behalf, re-sign some of the application forms and to re-submit the necessary paperwork.

Please note that because of this request, staff did not notice the La Canada Annexation in the March Notice of Public Hearing.
