RE: MBFPD Reorganization, LAFCO Project No. 2010-04

Fire Chief Pang,

Although the El Dorado County Board of Supervisors adopted Resolution 136-2010 approving the reorganization and annexation of LAFCO Project 2010-04, I would like to have a more detailed explanation of the annexation of these parcels. I would appreciate documentation that describes what authority we have to annex federal and state lands to your district.

I am also concerned that having United States Forest Service lands annexed to your district may create a liability question.

I appreciate you taking the time to provide me with additional information regarding this annexation. If you have any questions regarding my request, please feel free to contact my office at 530-621-5652.

Sincerely,

James R. "Jack" Sweeney
