Commission

FROM: José C. Henríquez, Executive Officer

**AGENDA ITEM #2d: CONTINUE PUBLIC HEARING FOR THE CONSIDERATION
AND ADOPTION OF THE ENVIRONMENTAL REVIEW AND
SPHERE OF INFLUENCE UPDATE FOR EL DORADO
IRRIGATION DISTRICT AND CAMERON PARK COMMUNITY
SERVICES DISTRICT**

RECOMMENDATION

Staff recommends that the Commission continue the public hearing for the consideration and adoption of the sphere of influence updates for El Dorado Irrigation District and Cameron Park Community Services District until the March 26, 2008 Meeting.

REASON FOR RECOMMENDED ACTION

At the time the public notice needed to be sent to the press, staff believed the Commission would have sufficient information to consider and adopt the sphere of influence updates for El Dorado Irrigation District and Cameron Park CSD. Unfortunately, after the public notice ran it became clear that the SOIs would not be ready for the February meeting.

BACKGROUND

Staff included El Dorado Irrigation District and Cameron Park CSD as two of the agencies whose sphere of influence updates would be ready for the Commission's consideration in February. It became clear soon after the publication of the public notice that the SOIs are not ready to be presented. Staff advises to continue this matter until the March Meeting.
