## LOCAL AGENCY FORMATION COMMISSION

### *AGENDA OF FEBRUARY 22, 2006*

### *REGULAR MEETING*

**TO:** Ted Long, Chairman, and  
Members of the El Dorado County Local Agency Formation  
Commission

**FROM:** José C. Henríquez, Executive Officer

**AGENDA ITEM #8: CONSIDER THE CANCELLATION OF THE APRIL 26, 2006  
MEETING**

#### **RECOMMENDATION**

Staff recommends that the Commission cancel the April 26, 2006 regular meeting.

#### **REASON FOR RECOMMENDED ACTION**

The April meeting falls on the same week as the CALAFCO Staff Workshop and, given the current status of LAFCO proposals, there will be no items of substance to bring to the Commission.

#### **BACKGROUND**

Over the past few months, your staff has been involved in the CALAFCO Staff Workshop Planning Committee and at the event itself will play an integral role as one of the host LAFCOs. As the date draws near, there is a real possibility that staff will be increasingly involved with the successful staging of the event, which will be held in South Lake Tahoe from April 26<sup>th</sup> to April 28<sup>th</sup>.

As noted, the Commission's April regular meeting falls on the same week as the Workshop. While the Commission has the discretion to reschedule the April meeting to an earlier or later date, staff does not foresee any urgent matter or item of substance that will require the Commission to meet in April. Currently, applications fall under two categories: those that may be ready for a public hearing before March and those that will not be ready until late summer at the earliest. Because of that, no applicant would be impacted by canceling the April meeting. All other administrative actions necessary to run the agency will be brought to you in March or can wait until May.
