AGENDA OF JANUARY 25, 2012

REGULAR MEETING

TO: Ron Briggs, Chair, and
Members of the El Dorado County Local Agency Formation
Commission

FROM: José C. Henríquez, Executive Officer

AGENDA ITEM #10A2: Consider Proposed Changes to Noticing Requirements

RECOMMENDATION

Staff recommends that the Commission review the proposed changes to the noticing requirements and provide direction to staff on how to respond to CALAFCO.

REASON FOR RECOMMENDED ACTION AND BACKGROUND

A subcommittee of the CALAFCO Legislative Committee has been working on revising Sections 56662 and 56663 in the CKH Act. These sections describe the circumstances under which notice, public hearing and/or protest proceedings may be waived in the processing of an annexation or a detachment proposal or a reorganization proposal that includes annexations, detachments, or the formation of a county service area. The proposed text of the revisions is included as Attachment A of this memo.

The subcommittee is seeking member LAFCOs' review of the proposed revisions prior to submission for legislation. To that end, the subcommittee is requesting Commissions and their counsel to review these changes and provide any comments or concerns.
