

EL DORADO LAFCO

LOCAL AGENCY FORMATION COMMISSION

AGENDA OF DECEMBER 2, 2015

REGULAR MEETING

TO: Ken Humphreys, Chair, and
Members of the El Dorado County Local Agency Formation
Commission

FROM: José C. Henríquez, Executive Officer

AGENDA ITEM #6: PRESENTATION BY STAFF FROM THE EL DORADO
COUNTY WATER AGENCY ON ITS WATER RESOURCES
REPORT

RECOMMENDATION

None. This item is informational for the Commissioners.

BACKGROUND

This is a continuation of the discussion began at the September meeting. During the presentation by El Dorado Irrigation District's Brian Mueller, the Commission indicated it was interested in:

- 1) Finding a way of tying water planning with land use planning and annexations
- 2) Having LAFCO coordinate its planning duties with those of planning agencies and water agencies

Towards that effort, LAFCO staff met with Ken Payne, Interim General Manager of the El Dorado County Water Agency to discuss how the two agencies can best coordinate planning efforts. During the discussion, it became apparent that EDCWA has compiled data that furthers the discussion and information the Commission received from EID. Mr. Payne will discuss EDCWA's Water Resources Report.
