

California Website Compliance Checklist

Public Records Act

SB 929:

Our district has created and maintains a website

Passed in 2018, all independent special districts must have a website that includes contact information (and all other requirements) by Jan. 2020

SB 272:

Our Enterprise System Catalog is posted on our website

All local agencies must publish a catalog listing all software that meets specific requirements—free tool at getstreamline.com/sb272

AB 2853 (optional):

We post public records to our website

This bill allows you to refer PRA requests to your site, if the content is displayed there, potentially saving time, money, and trees

The Brown Act

AB 392:

Agendas are posted to our website at least 72 hours in advance of regular meetings, 24 hours in advance of special meetings

This 2011 update to the Act, originally created in 1953, added the online posting requirement

AB 2257:

A link to the most recent agenda is on our home page, and agendas are searchable, machine-readable and platform independent

Required by Jan. 2019—text-based PDFs meet this requirement, Microsoft Word docs do not

State Controller Reports

Financial Transaction Report:

A link to the Controller's "By the Numbers" website is posted on our website

Report must be submitted within seven months after the close of the fiscal year—you can add the report to your site annually, but posting a link is easier

Compensation Report:

A link to the Controller's PublicPay website is posted in a conspicuous location on our website

Report must be submitted by April 30 of each year—you can also add the report to your site annually, but posting a link is easier

Healthcare District Websites

AB 2019:

If we're a healthcare district, we maintain a website that includes all items above, plus additional requirements

Including budget, board members, Municipal Service Review, grant policy and recipients, and audits

Open Data

AB 169:

Anything posted on our website that we call "open data" meets the requirements of AB 169

Defined as "retrievable, downloadable, indexable, and electronically searchable; platform independent and machine readable"... among other things

Section 508 ADA Compliance

CA gov code 7405:

state governmental entities shall comply with the accessibility requirements of Section 508

Requirements were updated in 2018—if you aren't sure, you can perform a basic test for accessibility at achecker.ca
