Hi Chief Cordero,

I'm reaching out to you and Interim Chief Stephen on behalf of our Strategic Planning Committee for input from the Fire Chiefs Association on LAFCO's future fire summits.

The Strategic Planning Ad Hoc Committee (members include John Hidahl, Brian Veerkamp and Cody Bass) would like to hear the Association's input for planning the West Slope and Tahoe Basin Fire Summits. This can occur as a small group discussion with the Committee members and staff or with the full Commission at a LAFCO meeting, whichever you prefer. Ideally, the Committee would like to hear from the Association in the next couple of months, fire season permitting.

Please advise me on a general timeframe for when the Association would like to plan for this discussion and how you would like to meet. Thank you!

Sincerely,  
Erica
