Summary:

Would create the Small System Water Authority Act of 2018 and state legislative findings and declarations relating to authorizing the creation of small system water authorities that will have powers to absorb, improve, and competently operate noncompliant public water systems. The bill, no later than March 1, 2019, would require the state board to provide written notice to cure to all public agencies, private water companies, or mutual water companies that operate a public water system that has either less than 3,000 service connections or that serves less than 10,000 people, and are not in compliance with applicable drinking water standards as of December 31, 2018.

Position: Watch

Subject: LAFCo Administration, Municipal Services, Water

CALAFCO Comments: This bill is sponsored by Eastern Municipal Water District and the CA Municipal Utilities Assoc. The intent is to give the State Water Resources Control Board (SWRCB) authority to mandate the dissolution of existing drinking water systems (public, mutual and private) and authorize the formation of a new public water system. The focus is on non contiguous systems. The SWRCB already has the authority to mandate consolidation of these systems, this will add the authority to mandate dissolution and formation of new public agencies.

CALAFCO met with the sponsors several times and they indicate a desire to work with LAFCos on creating a process that works. However, it is our understanding that LAFCo will lack any discretion in the dissolution of any public water agency mandated by the SWRCB and the formation of a new entity as mandated by the SWRCB. CALAFCO will continue to work with the sponsors and author.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 specifies the factors that a local agency formation commission is required to consider in the review of a proposal for a change of organization or reorganization, including, among other things, the proposal's consistency with city or county general and specific plans. This bill would additionally require the commission to consider any

relevant hazard mitigation plan or safety element of a general plan, and the extent to which the proposal will affect any land identified as a very high fire hazard severity zone or land determined to be in a state responsibility area, as provided.

Position: Watch

Subject: Climate Change, Growth Management

CALAFCO Comments: This bill seeks to add another factor for LAFCo consideration in the review of a proposal. That factor is any relevant hazard mitigation plan or safety element of a general plan, and the extent to which the proposal will affect any land identified as a very high fire hazard severity zone (pursuant to Gov. Code Sc. 51178) or land determined to be in a state responsibility area (pursuant to PRC Sec. 4102).

This bill is in response to the rash of wildfires throughout the state over the past several years and the ongoing threat of same as a result of climate change.

Summary:

Current law establishes the Strategic Growth Council in state government and assigns to the council certain duties, including providing, funding, and distributing data and information to local governments and regional agencies that will assist in the development and planning of sustainable communities. This bill would require the Strategic Growth Council, until January 1, 2024, to establish and administer a local agency formation commissions grant program for the payment of costs associated with initiating and completing the dissolution of inactive districts, the payment of costs associated with a study of the services provided within a county by a public agency, and for other specified purposes, including the initiation of an action, based on determinations found in the study, as approved by the commission.

Position: Sponsor

Subject: Other

CALAFCO Comments: As introduced this is a spot bill. This is a CALAFCO sponsored bill following up on the recommendation of the Little Hoover Commission report of 2017 for the Legislature to provide LAFCos one-time grant funding for in-depth studies of potential reorganization of local service providers. CALAFCO is working with the Strategic Growth Council in preparing a process and actual language will be coming soon.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 requires a local agency formation commission to develop and determine the sphere of influence of each city and each special district within the county and enact policies designed to promote the logical and orderly development of areas within each sphere. Current law requires the commission, in order to prepare and update spheres of influence in accordance with this requirement, to conduct a service review of the municipal services provided in the county or other appropriate area designated by the commission, as specified. This bill would make a nonsubstantive change to this provision.

Summary:

Would authorize the formation of a district by the adoption of a resolution of application by the legislative body of any county or city that contains the territory proposed to be included in the district. The bill would require the resolution to contain certain information, including the methods by which the district would be financed. The bill would require a public hearing before the adoption of the resolution, as provided.

Position: Support

CALAFCO Comments: This bill would expand the process of initiating the formation of a regional pack and open space district by adding that a local governing body may adopt a resolution proposing to form a new district. This would be in lieu of having a 5,000 signature petition. The LAFCo process remains intact.

The intent of this bill is to create an easier way to proposed the formation of these types of districts, thereby removing the need for special legislation to do so. The bill is author-sponsored.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (the Act) provides the authority and procedure for the initiation, conduct, and completion of changes of organization, reorganization, and sphere of influence changes for cities and districts, as specified. Current law defines various terms for purposes of that Act, including the terms "affected territory" and "inhabited territory." This bill would revise those definitions to include territory that is to receive extended services from a local agency, and additionally define the term "uninhabited territory" for purposes of the Act.

Summary:

Current law declares it to be the established policy of the state that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes. This bill would also authorize the state board to set timeline and performance measures to facilitate completion of extension of service of drinking water. This bill contains other related provisions and other current laws.

Position: Watch With Concerns

Subject: Disadvantaged Communities, Water

CALAFCO Comments: This bill would authorize the State Water Resources Control Board (SWRCB) to mandate extension of service or consolidation of wastewater systems - both public and private, under certain circumstances. The process mirrors the process set forth in SB 88 giving the SWRCB authority to mandate the same for drinking water systems.

Summary:

The California Safe Drinking Water Act authorizes the State Water Resources Control Board to order extension of service to an area within a disadvantaged community that does not have access to an adequate supply of safe drinking water so long as the extension of service is an interim extension of service in preparation of consolidation. The act defines "disadvantaged community" for these purposes to mean a disadvantaged community that is in an unincorporated area, is in a mobilehome park, or is served by a mutual water company or small public water system. This bill would redefine "small public water system" for these purposes as a system with 200 connections of less.
