Re: La Canada Annexation to the El Dorado Irrigation District  
LAFCO Project No. 2010-03

Request for One-Year Extension

Dear Jose and Erica

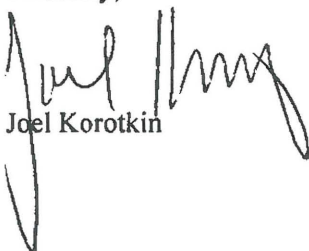

I would like to request a one-year extension of time for us to comply with the terms and conditions of approval placed on the above referenced project on April 27, 2011, by the LAFCO Commission.

We expect that prior to the hearing at which this matter may be considered, we will have paid the EID annexation fee and initiated the process for the request for USBR inclusion through EID.

Please let me know if there is anything else that you require from me in order to schedule this matter for consideration by the LAFCO Commission.

Thank you for your assistance in this matter.

Sincerely,

  
Joel Korotkin
