

GRASSY RUN COMMUNITY SERVICES DISTRICT

RESOLUTION NO. 11-04

WHEREAS, pursuant to its Resolutions Nos. 11-01 through 11-03, the Grassy Run Community Services District (GRCS D) has petitioned the Local Agency Formation Commission of the County of El Dorado (LAFCO) for the dissolution of GRCS D;

AND WHEREAS, among the normal LAFCO project requirements is the submission of a "Service Plan";

AND WHEREAS, the only authorized activity of GRCS D since its inception has been the maintenance and improvement of a road system within the community of Grassy Run (Grassy Run road system);

AND WHEREAS, since 1997, when GRCS D became inactive for the reasons set forth in its Resolution No. 11-01, the maintenance and improvement of the Grassy Run road system has been accomplished by the Grassy Run Homeowners' Association (GRHA);

AND WHEREAS, upon the dissolution of GRCS D it is the intention of GRHA to continue to perform those maintenance and improvement activities in the same manner that it has been performing them since 1997;

AND WHEREAS, it appears to the GRCS D Board for that reason that no useful purpose would be served by performing a "paper trail" describing such things as (a) enumeration of a list of services, (b) description of service units and capacity analysis, (c) description of proposed service infrastructure, (d) specification of conditions of service, and (e) other useful material, as set forth in LAFCO's applicant guidelines for a service plan;

NOW THEREFORE, BE IT HEREBY RESOLVED that the General Manager of GRCS D is authorized and directed to seek from LAFCO a waiver of LAFCO's usual and customary "service plan" requirement.

Adopted and approved, unanimously, by the Board of Directors of the Grassy Run Community Services District on March 31, 2011.

Kenneth B. Lee, President
Grassy Run Community Services
District
