CALAFCO Comments: This would allow LAFCos to apply directly for grants that support the preparation of sustainable community strategies and other planning efforts. CALAFCO has removed its support of the bill given the nature of the amendment and the potential impact to LAFCos.

Summary:

Beginning with the 2004-05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions, for the 2013-14 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation. This bill contains other related provisions and other existing laws.

Current Text: Amended: 5/24/2013 [pdf](#) [html](#)

Introduced: 2/20/2013

Last Amended: 5/24/2013

Status: 7/12/2013-Failed Deadline pursuant to Rule 61(a)(10)(SEN). (Last location was E.Q. on 6/13/2013)

Summary:

Would require a lead agency to translate, as specified, certain notices required by the California Environmental Quality Act and a summary of any negative declaration, mitigated negative declaration, or environmental impact report when a group of non-English-speaking people, as defined, comprises at least 25% of the population within the lead agency's jurisdiction and the project is proposed to be located at or near an area where the group of non-English-speaking people comprises at least 25% of the residents of that area. By requiring a lead agency to translate these notices and documents, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Position: Watch

Subject: CEQA

CALAFCO Comments: As amended, requires a lead agency to translate certain notices, summary of a negative declaration, mitigated negative declaration, or environmental impact report when the impacted community has 25% or more non-English speaking people affected by the project. The requirement is to translate these notices and summaries in the native language of those impacted. This is an unfunded mandate. While LAFCo is not typically the lead agency, there may be an occasion when they are, and this could have significant resource implications.

CALAFCO Comments: As amended, this bill would exempt the Elsinore Valley Municipal Water District and the Eastern Municipal Water District from liability for injuries or damages arising out of the delivery of water to County Water Company of Riverside customers, as specified. As amended this bill no longer references Local Agency Formation Commissions (LAFCo) to take on the responsibility of monitoring private water companies. As a result of removing any and all references to LAFCo, CALAFCO has removed its opposition to the bill and now has a Watch position.
