Re: No Reported Workers' Compensation Claims in 2009-10

Dear Mr. Humphreys:

This letter is to formally acknowledge the dedicated efforts of the El Dorado Local Agency Formation Commission's Governing Body, management and staff towards proactive loss prevention and workplace safety. Your agency's efforts have resulted in no reported workers' compensation claims for program year 2009-10. This is an outstanding accomplishment that serves as an example for all SDRMA members!

It is through the efforts of members such as El Dorado Local Agency Formation Commission that SDRMA has been able to continue providing affordable workers' compensation coverage to over 350 public agencies throughout California. In fact, 224 members or 64% in the workers' compensation program did not have any reported claims in program year 2009-10.

In addition to this annual recognition, members with no reported claims during the program year can earn 2 credit incentive points (CIPs) thereby reducing their annual contribution amount (the agency must earn a minimum of 10 CIPs to qualify for this claims bonus). Also, members without claims receive a lower "experience modification factor" (EMOD) which also reduces their annual contribution amount.

Since SDRMA is dedicated to serving its members and preventing claims, we would appreciate your agency taking a moment and sharing with us what made your District successful in preventing work related injuries. Our goal is to incorporate your successful ideas and suggestions into our loss prevention programs to benefit all members of SDRMA. Please forward any ideas or suggestions to Dennis Timoney, SDRMA Chief Risk Officer at dtimoney@sdrma.org.

On behalf of the SDRMA Board of Directors and staff, it is my privilege to congratulate the Governing Body, management and staff of El Dorado Local Agency Formation Commission for their commitment to proactive loss prevention and safety in the workplace and for having no reported claims in program year 2009-10.

Sincerely,
Special District Risk Management Authority

David Aranda, President
Board of Directors

Re: No Reported Property/Liability Claims in 2009-10

Dear Mr. Humphreys:

This letter is to formally acknowledge the dedicated efforts of the El Dorado Local Agency Formation Commission's Governing Body, management and staff towards proactive loss prevention and safety training. Your agency's efforts have resulted in no reported property/liability claims for program year 2009-10. This is an outstanding accomplishment that serves as an example for all SDRMA members!

It is through the efforts of members such as El Dorado Local Agency Formation Commission that SDRMA has been able to continue providing affordable property/liability coverage to over 430 public agencies throughout California. In fact, 334 members or 77% in the property/liability program did not have any reported claims in program year 2009-10.

In addition to this annual recognition, members with no reported claims during the program year can earn 2 credit incentive points (CIPs) thereby reducing their annual contribution amount (the agency must earn a minimum of 10 CIPs to qualify for this claims bonus). Also, members without claims for at least 3 years may receive a lower "risk factor" which also reduces their annual contribution amount.

Since SDRMA is dedicated to serving its members and preventing claims, we would appreciate your agency taking a moment and sharing with us what made your District successful in preventing property/liability losses. Our goal is to incorporate your successful ideas and suggestions into our loss prevention programs to benefit all members of SDRMA. Please forward any comments or suggestions to Dennis Timoney, SDRMA Chief Risk Officer at dtimoney@sdrma.org.

On behalf of the SDRMA Board of Directors and staff, it is my honor to congratulate the Governing Body, management and staff of El Dorado Local Agency Formation Commission for their commitment to proactive loss prevention and safety training and for having no reported claims in program year 2009-10.

Sincerely,
Special District Risk Management Authority
