Subject: SDRMA Elections

Sandy Seifert-Raffelson <reelectsandy4director@gmail.com>

Good Morning! I am Sandy Seifert-Raffelson and I am running for re-election to the SDRMA Board of Directors. I grew up in the San Joaquin Valley, attending schools in Lodi, Stockton and Sutter Creek. After finishing College in Colorado, I moved back to California to be closer to family. I have worked for Herlong Public Utility District for over 14 years. I understand what Rural District go through and what small budgets we deal with every day.

You should have received your SDRMA Ballot in the mail. I am asking that you review each candidates's qualifications and consider voting for me as your representative to the Board. My desire is to continue to help SDRMA set policies and directions to better serve small communities.

Please vote for Sandy Seifert-Raffelson for a voice for Small District's!

Ballot are due back to SDRMA by August 21, 2019.

Please Agenize the ballot so your District has a vote

Thank you,
Sandy Seifert-Raffelson
