- Continue to partner with the County and the fire agencies on creating mechanisms that ensure long-term financial stability.
- Partner with fire suppression on a multi-year project of annexing islands, resolve issues for lands outside of a district and possibly realign service boundaries to reflect resource deployment.
- Finish organizing digital library so that it can be accessible to the public and speed internal research initiatives.
- Training for staff should continue at all available and low-cost venues as possible.
- Coordinate LAFCO training sessions for new commissioners as time allows.
