Subject: El Dorado County LAFCO - Letter of Resignation - Holly Morrison
Date: Wednesday, September 22, 2021 3:02:13 PM

Dear El Dorado LAFCO Commission,

It is with great regret that I submit my letter of resignation as an El Dorado County LAFCO Commissioner.

The September 22, 2021 meeting will mark my final attendance.

I have held a seat since August 2015...first as the Alternate Special District Representative, then as the Special District Representative and finally as the Alternate Public Member.

I was honored to serve my Community and my County and to have served with so many distinguished Commissioners.

Best of everything as you continue the good work of the El Dorado County LAFCO.

Holly Morrison
