

# LAFCO Outreach

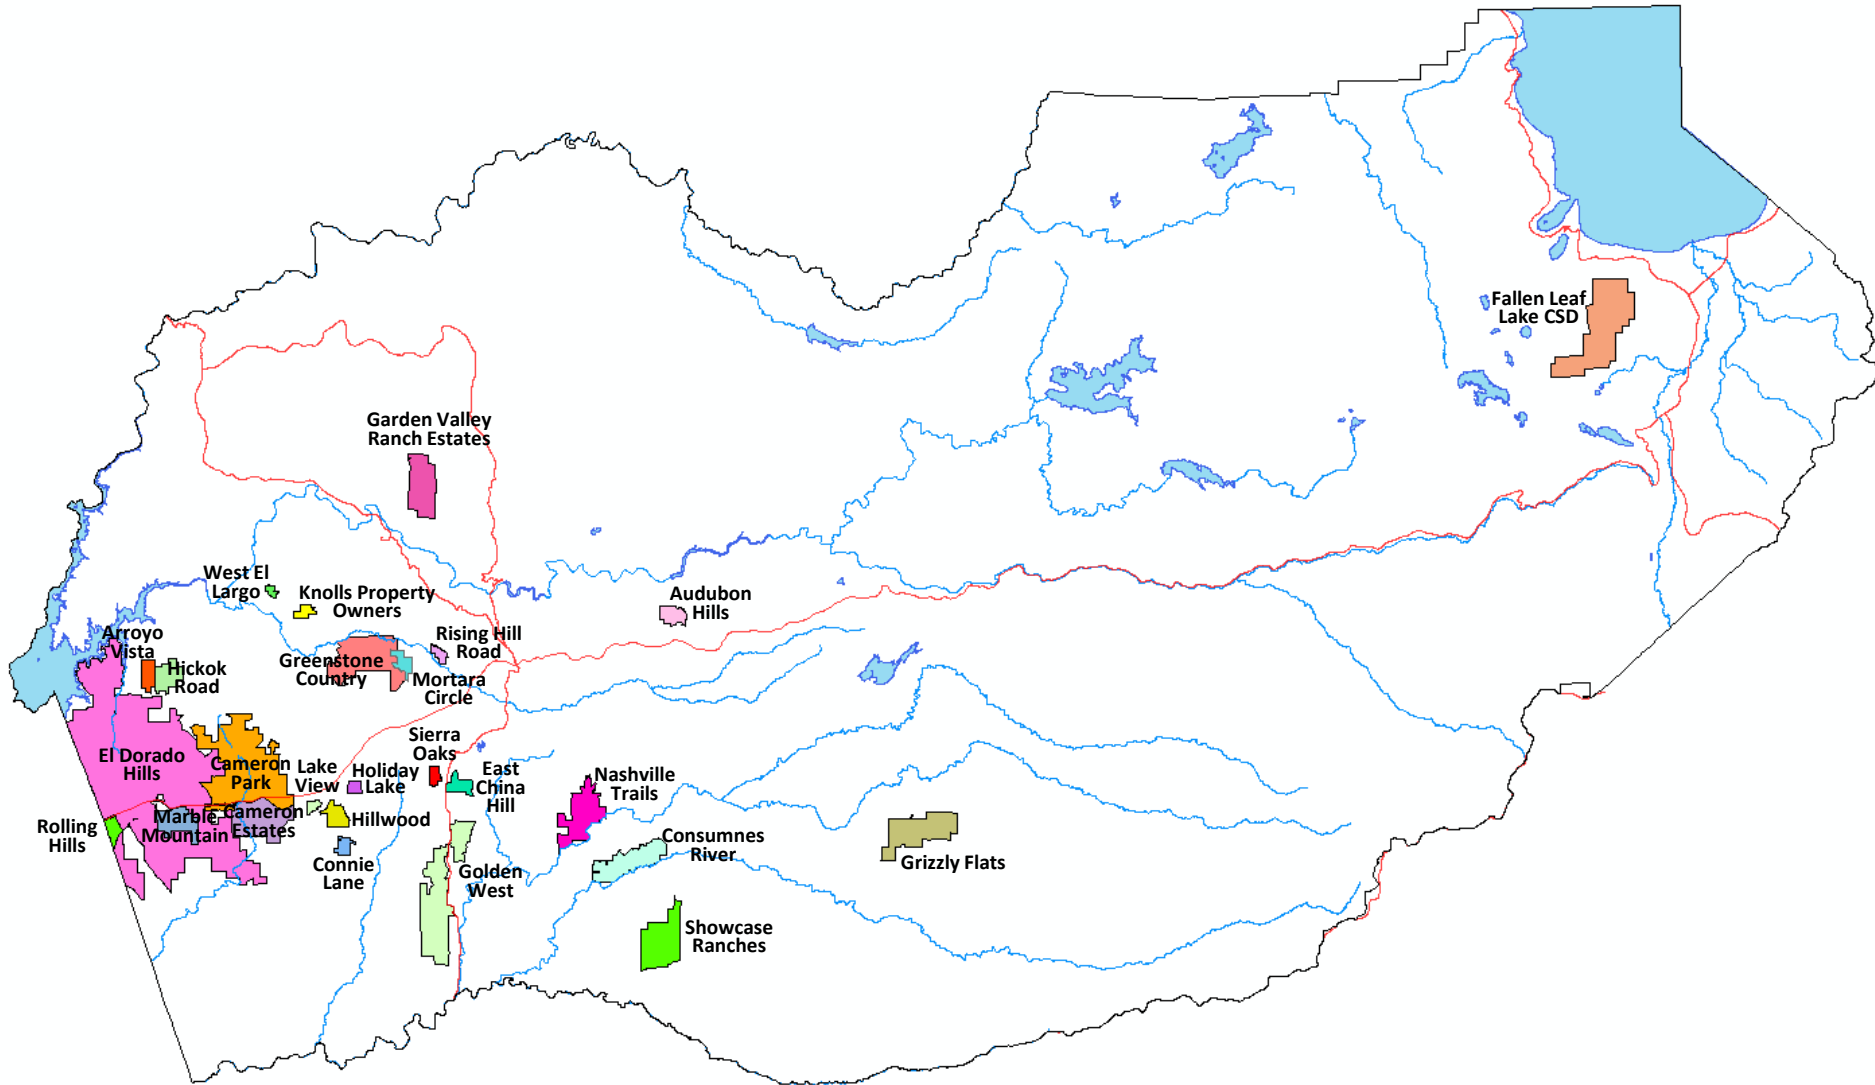

Shiva Frentzen, Executive Officer

# El Dorado LAFCO

- Oversight of 47 special districts and 2 cities
  - 13 Fire Service Providers
  - 20 Road Districts
  - 5 Water/Wastewater Districts
- Municipal Service Review (MSR) – a review and analysis of the adequacy and efficiency of municipal services provided by a city or special district; informs LAFCO decisions regarding spheres of influence, reorganizations, and other actions
- Sphere of Influence (SOI) – a planning boundary for the potential future boundaries of a local agency; defines the area where an agency anticipates providing services or potentially expanding its jurisdiction through annexation
- MSR every 5 years for Municipal Services Districts
  - Municipal Services Districts are Fire, Water, Wastewater
  - City MSRs done every 5 years
- MSR/SOI update as needed for Non-Municipal Services Districts
  - 30 Non-Municipal Services Districts

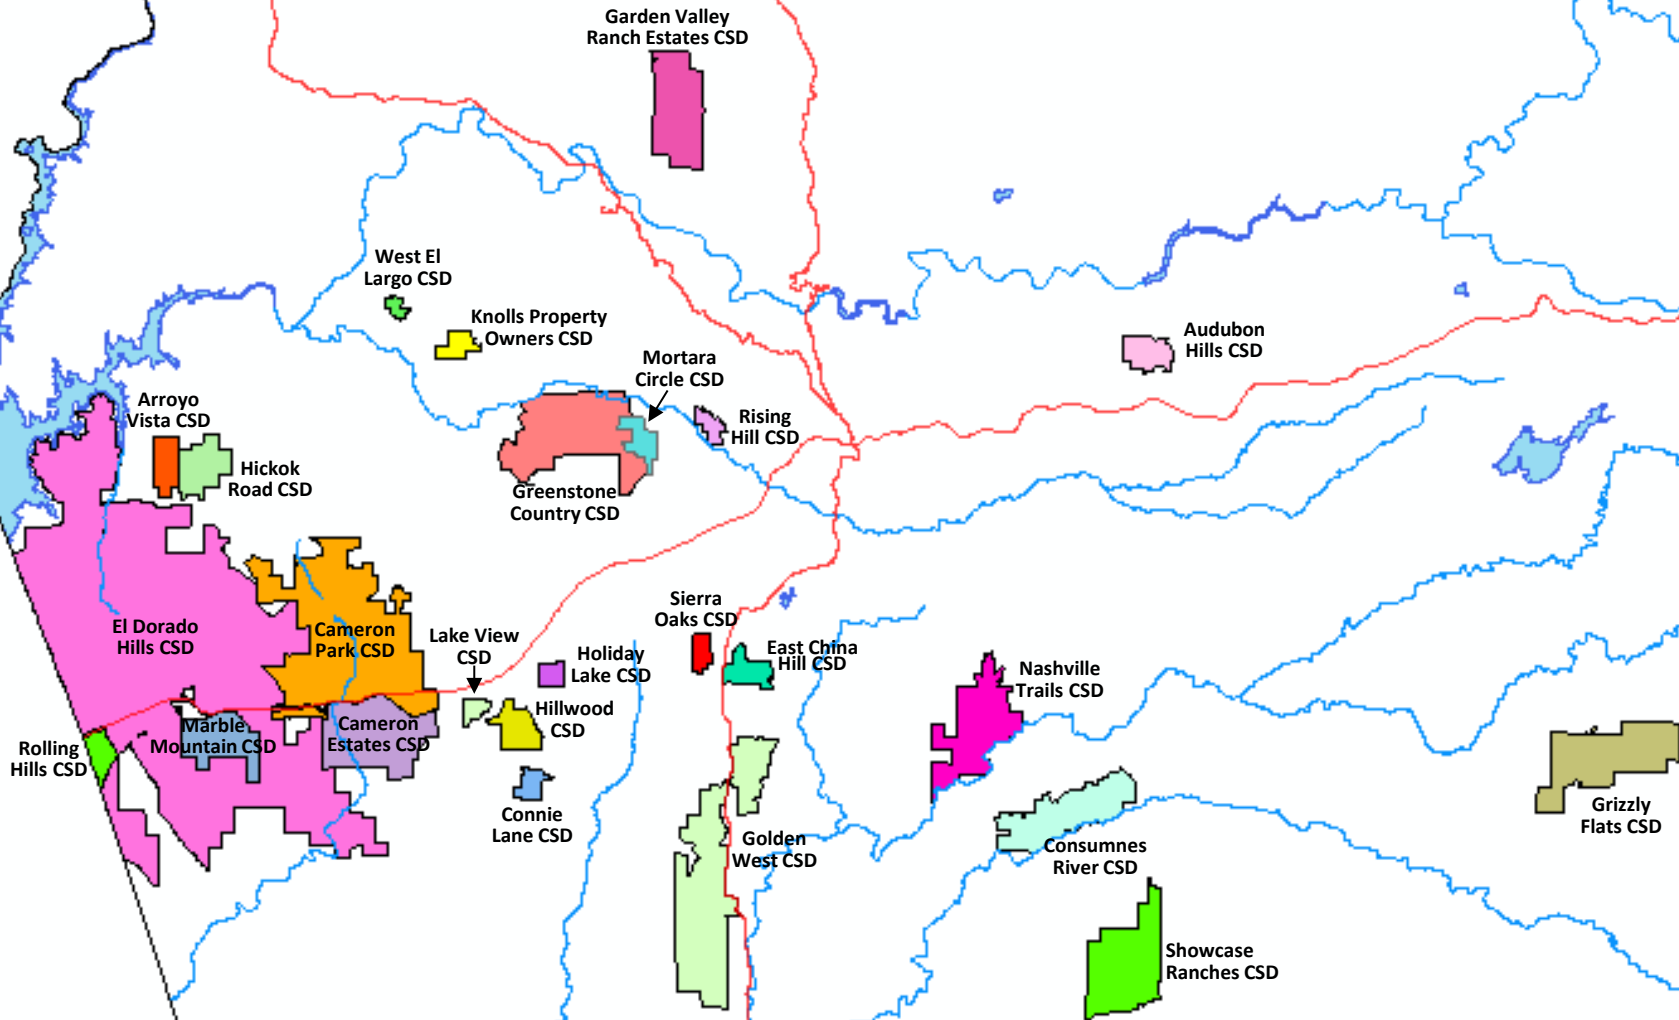

# El Dorado County Community Services Districts

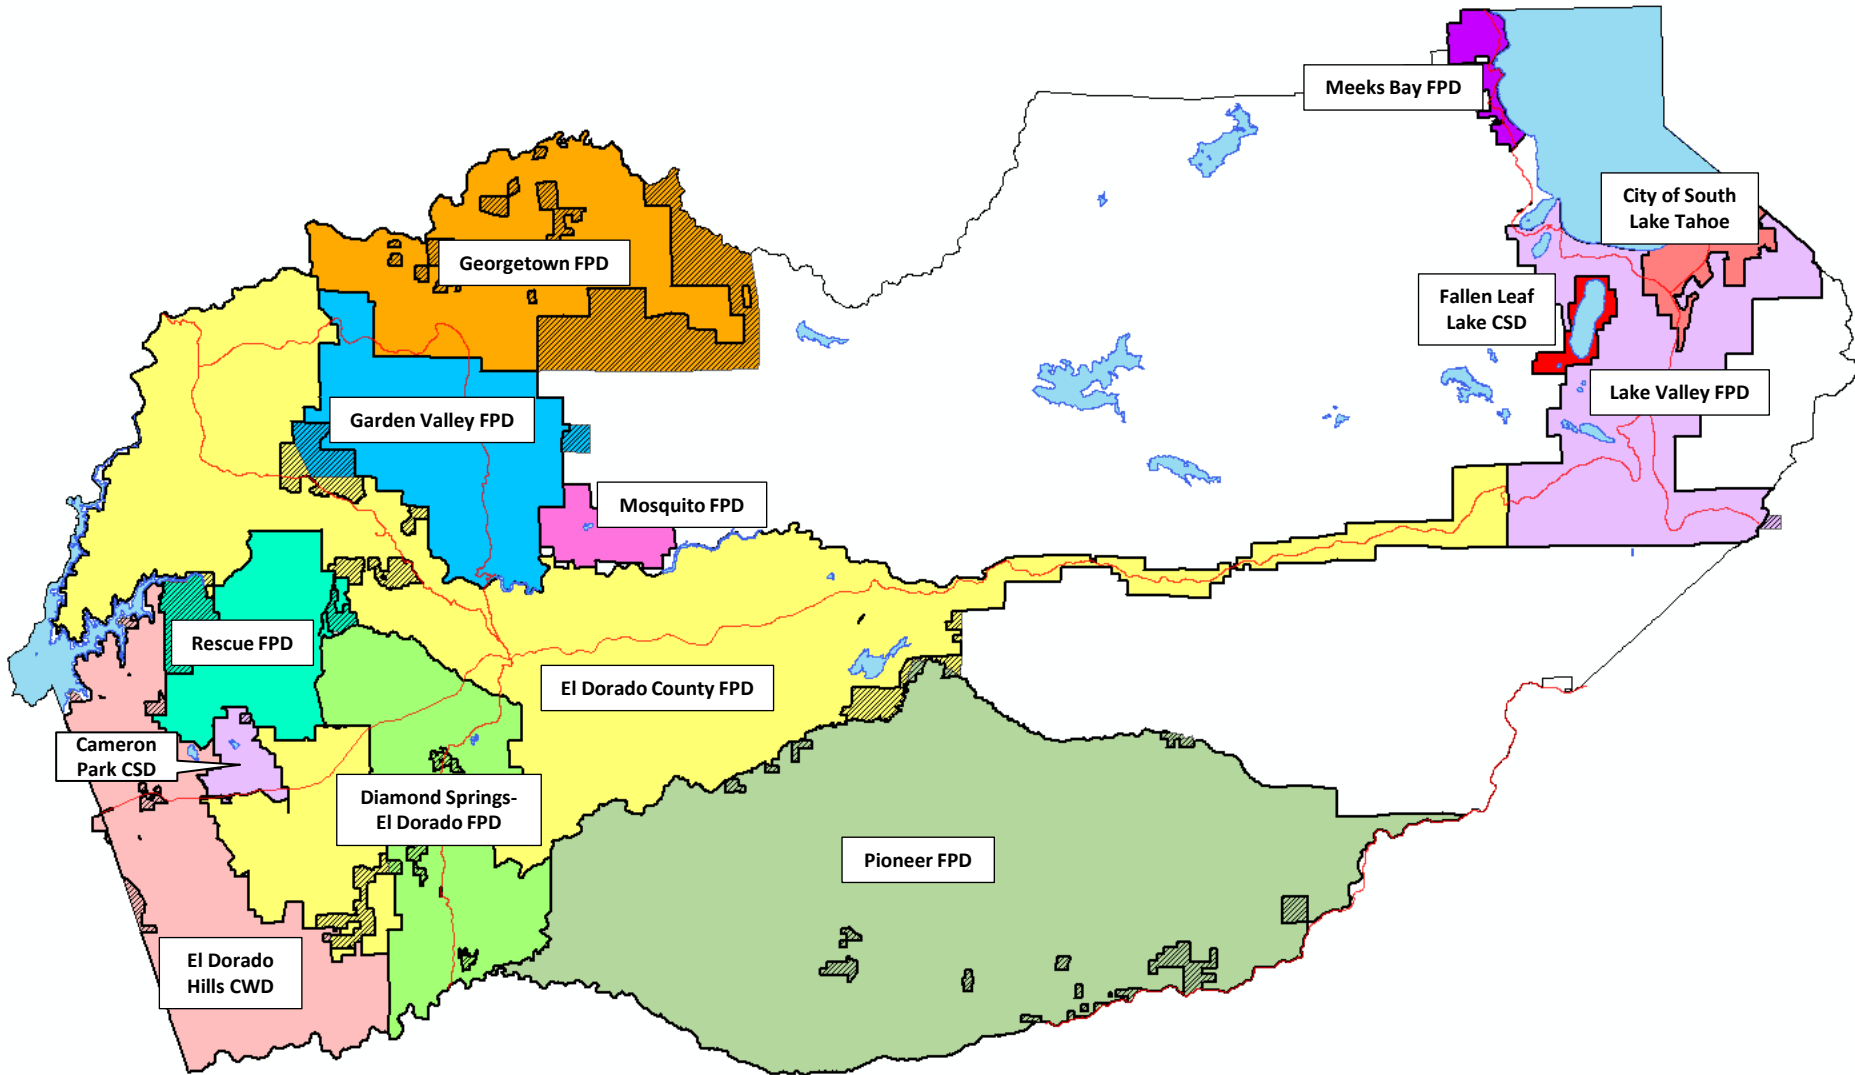

# Community Services Districts – West Slope

\* Fallen Leaf Lake CSD not shown (Tahoe Basin)

# El Dorado County Fire Protection Agencies

# Budget and Operations

- ~\$600K Budget per Fiscal Year
  - Contributed by agencies
  - County portion is 1/3
  - Two Cities pay 1/3
  - All Special Districts pay 1/3 based on their revenue
- 2 full time employees
  - Executive Officer
  - Assistant Executive Officer
- Workplan each year

# El Dorado LAFCO Streamlining

- Efficiencies in operations
  - Project management software
  - Payroll outsourced to the County
  - Efficiencies with Accounts payable
  - Policy updates for financials and MSR/SOI reviews
- Proactive versus Re-Active
  - Bringing awareness to LAFCO and our roles by engaging in conversations and doing presentations
- Strategic Planning and Budget Committees
- Analyzing the financial status of the districts
- Road map for future MSR and SOI updates
- 5-year budget projection to better align our projects with resources available
